

Line Up

Monkey Madness

2-5 minutes

Instructions

This activity is a great way to line your pupils up. When instructing them to line up and transitioning from one place to another, you can assign them to line up in a particular fashion. This should only take up to five minutes.

Health & Safety

- Ensure floors are clear of trip hazards
- Ensure pupils leave stationary on the table
- Remind pupils of their own spatial awareness
- Give clear instructions

Teacher Tips

This activity is suited to all ages.

Foundation: you can ask pupils to line up in a certain order. For eg. if they have black hair, glasses, if they had breakfast, if they have a pet and if their name begins with a certain letter.

KS1 1& KS2: challenge your class to work together as a team and line up in different ways such as alphabetical order first name, birthday date, certain hair colour, alphabetical order last name, try mixing up the register and putting it on the board in a new order for your class to follow.
