

## How to create our bunting at home

1. Print our [bunting template](#) onto card
2. Cut around the outside of the bunting template
3. Fold the card along the “fold line”, so that the top flap is to the back of the bunting
4. Place a measured length of string along the back of the bunting, under the folded flap, and secure in place with tape
5. If you require more bunting, please ring NICHHS office on 02890320184, or email [communityfundraising@nichs.org.uk](mailto:communityfundraising@nichs.org.uk)
